

DETAILED TRAINING SCHEDULE

OWNER DEVELOPER PROGRAM - 28th Nov to 6th Dec 2017 - MUMBAI

In a fast-changing real estate scenario how do you move ahead? How do you prepare yourself and your organisation to emerge unscathed amidst the complex challenges? How do you forge ahead amidst the competition?

The Real Estate Management Institute – REMI’s Owner Developer Program (ODP) anticipates the journey ahead and offers you an eagle’s view of what to expect and how to respond and what you need to know to capitalise on the possibilities. Get ready to garner that competitive edge to become the leader your peers will look up to.

This program is specifically aimed at ‘GEN NEXT’: The future leaders of the Real Estate Industry and aims to assist, prepare and motivate them towards a holistic and informed vision and mission.

The participants, by virtue of their experience and associations, would already have a firm foundation within the real estate industry and would attend to network and learn from experts as yourself.- Apart from Gen Next the program is also for Executive Directors, Directors, Owners, C-Suite, Senior VPs of Real Estate Companies.
