TESTIMONIALS

"When I walked into REMI's ODP session room I had no clue what the student's expectations were, but when I overheard their conversation of their experience at the ODP program I realized that this is such a great opportunity for learning. So many promoters and business leaders from the real estate sector in one room created such a great platform for learning and knowledge sharing. The experience was unbelievable and it's a great feeling that I'll carry along."

***Gulam Zia** - Executive Director Knight Frank - ODP March 2017 Mumbai*

I wanted to learn about Real Estate Managemet and chose to do a program at REMI. It has been a wonderful experience and I have acquired a lot of relevant sector knowledge through REMI. The practical examples have been more helpful, in additional to the technical knowledge gained. The faculties have been cooperative and are most informed. I appreciate the initiative by REMI.

***Vishnu Priya -** BMF Batch 2016*

"REMI has been established with the vision to 'Skill India to Build India' and facilitate industry development through our programs that equip students and professionals with the requisite skills needed to build a sustainable career in the real estate sector. We intend to establish REMI as the leading provider of real estate education in India, that provides an insight into global best practices, as well as empowers and inspires its students as they embark on or establish their careers in the real estate industry."
