

Real Estate Broker Certification Program

The Real Estate Management Institute-(REMI), in collaboration with CREDAI - MCHI has launched the first comprehensive Real Estate Broker Certification Program.

This 30 - hour part - time program spreadover 3 weeks, has been carefully designed in line with global broker licensing benchmarks, in sync with RERA 2016 and in consultation with key industry associations in India.

How can it Benefit you?

- ✓ Become a certified real estate broker with REMI - The Real Estate Management Institute and CREDAI - MCHI
- ✓ Build the key technical skills required through a comprehensive understanding of the legal process and the documentations involved in a real estate transaction.
- ✓ Improve lead generation through the effective use of the digital medium and other key channels.
- ✓ Enhance your customer servicing and relationship management capabilities with key tools and technologies.
- ✓ Acquire the key entrepreneurial skills that will enable you to develop, build and scale your brokerage business.
